NiDO Steel

Velair®

Heater Unit		Specification	
Finishes		White	
Construction	**Material**	Carbon Steel	
	Heating element material	6063 aluminium	
Rated Power		1000W, 1500W, or 2000W	
Features	**Control Options**	LED touch display	
		Remote control	
	Timer	24 hour timer controllable by touch screen and/or remote control	
	Sensors	Open window detection	
		Thermostat with temperature regulation	
	Safety	Child lock, overheating and tipping protection	
Product Dimensions & Weight	**Related Power**		
	1000 Watt Low Setting: 500W	Product H x W x D	403 x 600 x 52 mm
		Product H x W x D (including brackets)	403 x 600 x 75 mm
		Packaging H x W x D	468 x 660 x 105 mm
		Net Weight	3.8 kg
		Packed Weight	5 kg
	1500 Watt Low Setting: 750W	Product H x W x D	403 x 835 x 52 mm
		Product H x W x D (including brackets)	403 x 835 x 75 mm
		Packaging H x W x D	468 x 895 x 105 mm
		Net Weight	5.1 kg
		Packed Weight	6.5 kg
	2000 Watt Low Setting: 1000W	Product H x W x D	403 x 955 x 52 mm
		Product H x W x D (including brackets)	403 x 955 x 75 mm
		Packaging H x W x D	468 x 1015 x 105 mm
		Net Weight	5.7 kg
		Packed Weight	7.2 kg
Lead Length		1.5m	
Castors		Included - Please note these are only included with NiDO steel Standard models.	
Warranty		3 year 24 hour replacement warranty	
Waterproof		IP24	
Certifications		Lot20 compliant, CE
