Available finishes:

Engineered for expansive, high-end spaces, this large-area diffuser provides coverage up to 900 m², roughly the size of three tennis courts, fragrancing over 2,700 m³ (95,000 ft³) of air. Perfect for grand lobbies, open-plan offices, and luxury hospitality environments, it handles volumes comparable to a full office floor or large conference suite.

Controlled via an intuitive app, Serenity can be easily programmed with schedules tailored to 30, 60 or 90-day service cycles, for effortless management and consistency. Serenity transforms offices, hotel lobbies and luxury spaces into immersive sensory environments.

Our high-end fragrance oils are supplied in easy-to-install bottles, taking the hassle out of refilling while ensuring a continuous, high-quality scent experience.
