

velair[®]

John - Simply Washrooms

“Velair support us as a business, and they are fantastic. They provide quality hand dryers, but just as important, they offer excellent ongoing support regarding service and maintenance. I would highly recommend them as a supplier of efficient, quality hand dryers”

Introduction to Velair®

Established in 2012, we design, manufacture and supply hand dryers of the highest quality, with the latest innovations, long and robust warranties, and a 5-star rated after sales service.

Our product offering is simple, yet effective. Grouped into ‘Good, Better and Best’, we have dryers to suit all end-user requirements, depending on the usage, cost, energy efficiency and hygienic protocol.

BEST

Terra4

DOCKING STATION®

Our Terra4 Docking Station® is the world's first multi-dryer Plug & Play® platform.

Once installed, the Terra4 Docking Station® becomes the fit and forget product, allowing for any of our Plug & Play® hand dryers to be easily installed, upgraded, or replaced, within seconds, by anyone; no skilled labour required. Managing your hand dryer requirements has never been so easy.

The Terra4 Docking Station® is made from a material that gives outstanding durability, rigidity, abrasion resistance and thermal dimensional stability.

"I've been in the industry for 25 years and I'd say that the Plug & Play® dryers are probably the most innovative, practical and stylish dryers I've seen in this time."

Voltage	220-240
Rated Power	1760w
Net Weight	9.55kg
D x W x H	195 x 300 x 617mm
Noise level	73dB at 1m
Cover material	ABS Polymer

Electrical Specification	
Rated Current	8.0A
Motor Speed	30,000 RPM
Sensing Distance	N/A hands in
Standby Power Consumption	1w

3 blades of air strategically placed, with water collection as standard, as well as Microban antimicrobial technology.

The V7 Tri-Blade is available in Snow White and Silver Aluminium and is fully compatible with ZeroGel – a neutralising gel pack that removes bad odours and leaves a pleasant fragrance in the washroom.

Microban antimicrobial protection is impregnated at the manufacturing stage, to inhibit growth of bacteria, mould and mildew. Microban treated products are tested for their efficiency in accordance with internationally recognised standards.

Optimum water collection and comfortable hand drying.

300 jets of air strategically placed to remove the water from both sides of your hands without the need for continuous hand movement.

The V7-300 gives the user a comfortable hand drying experience whilst the 300 jets ‘massage’ the hands dry. Water collection as standard as well as Microban antimicrobial protection, impregnated at the manufacturing stage, which inhibits the growth of bacteria, mould and mildew. The V7-300 is also fully compatible with ZeroGel; a neutralising gel pack which eliminates bad odours and leaves the user with a heightened washroom experience.

Media Filter Replacement

Need a media filter replacement for your dryer? No problem. Contact us and we can organise getting you a fresh one once the time comes to replace.

Product codes:
F4 Eco Replacement Filters: VAF4005 (2Pk)
Pebble & Pebble+ : VAPB004 (3Pk)
V7: VUKVTS006 (2Pk)

ZeroGel

ZeroGel is an innovative product that eliminates bad odours and helps to improve air quality within the washroom. This product has the highest level of effectiveness against removing bad odours, neutralising them, and dispersing a gentle fragrance.

Product code: VUKVTS005 (4Pk)

Our Special Project Service allows for the design and manufacture of bespoke hand dryers, tailored to suit certain specification needs.

This can include, but is not limited to, the development or redesign of a dryer, to meet certain cost, quality, functionality, branding, colour and sustainability requirements.

Adding a logo

We can also have your logo applied to any of our hand dryers, information available upon request.

V7-300 & V7 Tri-Blade

The V7-300 & V7 Tri-Blade can be ordered in a variety of different finishes. The finishes available are:

email sales@velair.co.uk or call +44 (0) 1425 616 103

The Plug & Play® 24 Hour replacement warranty for the Pebble+, Pebble® and Pebble Mini®.

We pride ourselves on our very simple replacement service;

1. Simply call our team on +44 (0) 1425 616 103 and report your fault.
2. If we cannot solve the problem over the phone, a replacement hand dryer will be dispatched that very day.*
3. When you receive the replacement dryer, simply follow the instructions on the box or download the QR code video, to replace the dryer - anyone can do it, no training required.
4. That's it, you're good to dry again!
5. Please place the potentially faulty hand dryer in the same box, secure, and contact us to arrange collection at sales@velair.co.uk or call 01425 616103.

Now, the good to know:

Our 24hr service runs Monday-Friday, only in UK and mainland Europe, and only applies to units in warranty and Plug & Play® enabled. In order to gain 24hr replacement the initial fault must be recorded before 1pm that day, if the fault is recorded after 1pm, the replacement unit will be dispatched the next day*. Non return of the potentially faulty unit will lead to a charge. If the returned potentially faulty unit is deemed out of warranty or the fault is not warranty related i.e. vandalism, excessive motor wear, then a charge will be applied. We take no responsibility for courier delays.

Our Technical Support Team provides a five-star service supporting customers with their hand dryer needs.

- ★ Dedicated technical team
- ★ Provide comprehensive diagnostic reports
- ★ Aftersales service
- ★ Trustpilot 5★ service reviews
