

**Velair Hygiene®**

## John - Simply Washrooms

“Velair support us as a business, and they are fantastic. They provide quality hand dryers, but just as important, they offer excellent ongoing support regarding service and maintenance. I would highly recommend them as a supplier of efficient, quality hand dryers”

# Introduction to Velair Hygiene®

Established in 2012, we design, manufacture and supply hand dryers of the highest quality, with the latest innovations, long and robust warranties, and a 5-star rated after sales service.

Our product offering is simple, yet effective. Grouped into ‘Good, Better and Best’, we have dryers to suit all end-user requirements, depending on the usage, cost, energy efficiency and hygienic protocol.

## Optimum water collection and comfortable hand drying.

300 jets of air strategically placed to remove the water from both sides of your hands without the need for continuous hand movement.

The V7-300 gives the user a comfortable hand drying experience whilst the 300 jets 'massage' the hands dry. Water collection as standard as well as Microban antimicrobial protection, impregnated at the manufacturing stage, which inhibits the growth of bacteria, mould and mildew. The V7-300 is also fully compatible with ZeroGel; a neutralising gel pack which eliminates bad odours and leaves the user with a heightened washroom experience.
